Harriniva Hotels & Safaris is a family run business established in 1973. We provide comfortable wilderness style accommodation in hotel rooms, cabins, Aurora Dome glamping tents and snow igloos. Delicious culinary experiences can be enjoyed in our cozy restaurants as well as ice restaurant, tepee restaurant Kota or a simple fireplace in the forest. We run the oldest reindeer farm in Finland, two husky farms and offer versatile all-year-round safari programme services in the unspoiled nature of Pallas-Yllästunturi National Park, Muonio and Enontekiö wilderness areas.
