*Drive your own husky team
through Europe's last wilderness*

PACKAGE INCLUDES

- Return transfers from Kittilä
- Complete winter clothing
- 2 overnights in shared accommodation with shared facilities
- 4 overnights in wilderness cabins
- Full board from dinner at day 1 until breakfast at day 7
- 5 days of dog sledding with own husky team
- English speaking wilderness guide

Day 1

Arrival at Kittilä airport, transfer (approx. 1 hour) to Muonio. Welcome dinner and overnight in shared accommodation with shared facilities.

Day 2-5

After breakfast you will be provided with your safari equipment and meet with the guide who will give you a short introduction to the program for the week. You meet your own dog team, the sleds will be packed and you will be taught how to handle the sled (1 person / sled). The route will take you through the beautiful forest scenery, over frozen lakes and along the rivers.

During this safari we spend the nights in wilderness cabins. Each night is spent in different, simple but cosy huts without electricity. Each hut has a sauna to wash yourself and an outdoor toilet (without water). After spending the days driving through the wilderness, you will take care of your own dog team and feed them. In the wilderness cabins there is no electricity or running water, so help for the guide is required to prepare the meals, make fire and prepare yourselves well a deserved sauna after a long day. Breakfast and dinner are prepared together in the huts, lunch by open fire in the wilderness.

Day 6

Return to Harriniva in the afternoon. Go through your safari memories together once more during a delicious farewell dinner with Lappish specialities. Overnight in shared accommodation with shared facilities.

Day 7

Breakfast and transfer to Kittilä airport.

**Due to the long distances, there are no shared driving possibilities*

This is a sample itinerary, a full itinerary will be given in resort. We hold the right to make changes to the program itinerary according to weather conditions.
