

An aerial photograph of a vast, snow-covered forest. The trees are heavily laden with snow, and their long shadows are cast across the white ground. In the background, a range of mountains is visible under a warm, orange-hued sky, suggesting a sunset or sunrise. The overall scene is serene and majestic.

SNOWMOBILE TOURS

Rates include the necessary equipment and insurance for the snowmobile. The driver of the snowmobile must be at least 18 years of age with a valid driving licence. For children & youth under 18 years, we recommend only 2-4 hour snowmobile safaris. Children up to the age of 14 are seated in a sled pulled by the guides snowmobile.

At the age of 15 they can be seated behind one of their parents or sit in a sled behind guide's snowmobile. Self-liability is 800€ /driver/ snowmobile/ accident case.

By paying 20€ per person per safari, you can reduce your maximum self liability to 400€, which is valid for one accident.

HUSKY TOURS

All husky tour rates include the necessary outdoor equipment. Children over 12 years can usually drive a husky team themselves depending on the size of the child. Children between 4 -11 years of age sit in the guide's sled during tours. We reserve the right to decide the arrangements for children. We recommend only short husky tours for small children.
